

# HODS Bulletin - BU 1400

**Title** **New Third Party Confined Space Rescue Services Provider**

**Purpose** **To inform all Hydro One staff of the recent change to the Third Party Confined Space Rescue Services Provider.**

**Details** Effective September 1, 2020, Safetyscope has been contracted by Hydro One to provide Confined Space Rescue Services replacing Trademark Safety & Rescue Ltd. Services offered under this contract include supplemental rescuer and attendant duties as identified in [HO0997](#) Confined Space Management Program.

Safetyscope has had extensive experience working with Hydro One in the past assisting with confined space rescue services and program support.

Safetyscope will respond to both short term and long term commitments including urgent response when time, resources and equipment are a challenge for Hydro One to meet these needs.

**For all services, please contact Safetyscope directly using the information below.**
