Is Your Business in Compliance?

Are you aware that your business is legally required to do the following?

- ◇ Post the “Health and Safety at Work - Prevention Starts Here” Poster in your workplace
- ◇ Train workers and supervisors in basic Health and Safety awareness (mandatory as of July 1, 2014)
- ◇ Post the WSIB’s “In Case of Injury at Work:” poster in your workplace
- ◇ Develop and/or post a “Violence Policy” in your workplace (OHSA S32.0.1)
- ◇ Develop and/or post a “Harassment Policy” in your workplace (OHSA S32.0.1)
- ◇ Develop and post a “Health and Safety Policy” (OHSA S25 (2)(j))
- ◇ Elect a Health and Safety Representative (less than 20 employees) or a Joint Health and Safety Committee (more than 20 employees)
- ◇ Keep a “First Aid Kit” fully stocked in your workplace and have a least one First Aid Certified Worker at all times.
- ◇ Post “The Employment Standards Act” poster in your workplace
- ◇ Develop policies, practices and procedures, on the “Accessibility for Ontarians with Disabilities Act (AODA)” such as Accessibility Standards for Customer Service

If you answered ‘NO’ to any of these contact us and we can help you get in compliance.
